"I love March as it gives hope that new beginnings are always beautiful."

Anamika Mishra

I don't know about you but I am ready for some nice weather!

The annual membership meeting is coming up quickly, March 16th at clubhouse. Meat will be provided, just bring covered side dish to share. Speaking of sharing, come by and share some coffee and an hour or so with some neighbors at our monthly coffee club! It is held on the first Saturday of the month.

Don't forget, the clubhouse is open for rent to the public. This is going to be a great way to put some money back into the bank. Troy will be setting up a Facebook page that the HOA can use for news and advertising for rentals and such. The fee for rental is \$300 for non-members and \$50 for members. If you know of anyone who is looking for a place to use for any kind of party or celebration, please let them know.

We still do not have anyone for our Treasurer position so if you are interested or know anyone who might be, please reach out!

The water fountain outside at the clubhouse, has not been working properly so it is going to be unplugged so that it will not short out and cause potential problems. Not sure if it will be repaired or replaced as of yet.

A new yard of the month wasn't chosen for this month and it has been pretty quiet this month so far, so that is all for now.

Next meeting is April 1st 2024. Hope you all have a fabulous rest of the month!
