

Grandin Lake Shores Association

Newsletter July 2024

*"Government of the people, by the people, for the people, shall not perish from the Earth" **Abraham Lincoln***

I don't know about you but I cannot believe it is July! How is it the height of summer already?!

When you drive by 812 Lake shore terr, wish Glenda Woodard congrats on the yard of the month this month. Love her yard!

Ice cream social is coming up soon, Saturday July 20th starting at 2pm. Ice cream will be

provided, just bring a topping (or two) to share. Also, coffee club is now on the first Friday of the month to free up Saturdays for hall rentals. Next one is set for Friday July 5th.

Thank you so much to all who came out to help with the swim dock repairs, it is almost finished. If you have tools and an hour or so of time to spare, we have the boards and just a few more to be replaced for it to be finished.

As you know, the hall is open for public rentals, it is a great space for all kinds of events. As it is super-hot right now though, if you are renting it soon, just remember to turn on AC the day/night before your rental so it is nice and cool. Please don't forget that we can now rent the hall out to the public so if you know of anyone who is needing a space, let them know ours is available. Since we have new property appraiser, Clay Davis, and he has stated that the lake front property owned by the association will be going up THOUSANDS of dollars in taxes, we could use the revenue to help pay for such a huge increase.

It was brought up by a member at the last meeting that we have a lot of speeding in the neighborhood, (plus the guy in the blue truck that likes to do donuts at the front entrance) if you notice something like that, get the tag number or picture/description of the vehicle and call the sheriff's office. There is nothing the association can do to control that other than being vigilant and calling when we see something. You can also call your county commissioner Larry Harvey and remind him that we have been promised sidewalks for many years and since there is so much speeding thru here, it would be nice to have a safe place to walk.

That is about all for now, next meeting is August 5th at 7pm. Enjoy your July and if you are out in the heat, remember to stay hydrated!
