

Grandin Lake Shores Association

Newsletter for April 2025

“April, the perfect blend of showers and sunshine, teaches us the beauty of balance.”

-Sylvia Plath

We had a great turn out for the annual meeting and luncheon, I heard the smoked turkey and side dishes were tasty! The end of year financials were presented at the meeting. They

balanced of course ! Helen Curtis is doing an amazing job. She said she greatly appreciated Mary Lou Pickles, Kris Hilliard and Mike Walker for volunteering their time to go over all of these with her before being presented.

I would like to welcome our newest board members, Carol Doswell and Tim Ellis. Thank you for giving your time and energy to help be a guiding force in our community! A heartfelt thank you to all the board members, your time and efforts are truly appreciated!

I also wanted to welcome Lou Ann and Judias Cossich at 852 Lakeshore Terr and Scott Rantham at 828 Lake shore Terr to the neighborhood. It is great to have to have new people join our community.

The clubhouse is getting a mini face lift just in time for summer. It is getting pressure washed, some new paint, and rotten fascia boards are being replaced as well. Don't forget this is a great space that is open for rental, to members as well as non-members. It looks like the spadderdock maybe clearing up a bit. Tim Ellis has been taking his boat out and running it back and forth to help get it oxygenated. Hopefully this will continue driving the spadderdock out.

Karen McCarthy at 102 Pine rd won yard of the month this month. Way to go Karen!! There will be a governing document meeting on Friday April 18th at 10 am to review lien processes and latest laws for HOAs. It is an open meeting, and all are welcome to come and sit in.

I think that covers it for this month. Next meeting is scheduled for Monday May 5th at 7pm.

Happy Easter!!
