Newsletter February 2025

"February whispers promise of new beginnings and fresh opportunities." Unknown

Speaking of fresh opportunities, there are seats available on the BOD that could be calling your name! Isn't it worth an hour or two a month to be able to be a part of how your community is run? You know what they say about

opinions...everyone has them , why not put yours to good use? Deadline for letters of interest is February 15th. If not the BOD, maybe just for an hour or so for neighborhood watch? Drive around community and if you see anything unusual, write it in log book (not emergency of course, that should be a 911 call). We could sure use the help. Also, just a heads up, there has been an older black dodge charger with the spot light on driver's side (old police car) stopping at random houses and driving very slowly thru neighbor. Person does not live in community. Please keep an eye on your packages etc. as this is common behavior for porch pirates.

Yard of the month for this month is Kate Miller at 112 Clearwater. Congrats Kate!

We have some new members to welcome, Larry and Kathy Robinson on 768 Lakeshore ter. Great to see new neighbors! Annual meeting and covered dish lunch is March 29th at 1pm at clubhouse. Association will provide meat (smoked turkey this year I think) bring side to share and come on by. Coffee club still going strong on the first Friday of every month around 10 am, if you want to come enjoy a cup of joe and maybe a sweet treat to go with it and visit with friends and neighbors.

That's it for now, next meeting is March 3rd at 7pm. Hope you all have a great February!
